Ah Zandar, you come! Enter!!!

Great Commander I bring you good news!

As you have ordered, our elite force of commandos have penetrated Earth and captured all of these... "Idols."

MUHAHA! My brothers! The Earth is defenceless!! Now is the time to attack!!!

ARRGGGH!!!!

Commander! They're broadcasting live music through all channels!!!

Impossible!!! We have captured all their "Idols!"

(Talk to me, Tell me your name  
You blow me off like it's all the same...)

A male "Idol?!!!"

\*Gasp!!!\* It's not J-Pop!!!

(Well if, Lady Luck gets on my side  
We're gonna rock this town alive...)

(Talk to me, Tell me your sign  
You're switching sides like a Gemini...)

It gives me a strange feeling when I listen and watch this human sing and wave his buttocks in elaborate patterns. As if this "song" is awaking something dormant within me for many thousand years...

(I'll let her rough me up. Till she knocks me out  
She walks like she talks, And she talks like she walks...)

**(AND SHE BANGS, SHE BANGS  
OH BABY!!! WHEN SHE MOVES,  
SHE MOVES!!!)**

It's alright son, you may come out of your closet...
